Don't try to take this from me  
Don't try to take this from me now  
Don't try to take this from me  
Don't try to take this from me now

Feels like I'm waking from the dead and everyone's been waiting on me  
'Least now I'll never have to wonder what it's like to sleep a year away  
But weren't we indestructible? I thought that we could brave it all  
I never thought that what would take me out was hiding down below

Lost the battle, win the war  
I'm bringing my sinking ship back to the shore  
Starting over, head back in  
There's a time and a place to die but this ain't it

If there's a future, we want it now  
If there's a future, we want it now  
If there's a future, we want it now  
If there's a future, we want it now

Don't try to take this from me  
Don't try to take this from me now  
Don't try to take this from me  
Don't try to take this from me now

Wish I could find a crystal ball for the days I feel completely worthless  
You know I'd use it all for good, I would not take it for granted  
Instead, I have some memories for the days I don't feel anything  
At the least, they will remind me not to make the same mistakes again

Lost the battle, win the war  
I'm bringing my sinking ship back to the shore  
Starting over, head back in  
There's a time and a place to die but this ain't it

If there's a future, we want it now  
If there's a future, we want it now  
If there's a future, we want it now  
If there's a future, we want it now

There's a time and a place to die  
And this ain't it

If there's a future, we want it now  
If there's a future, we want it now  
If there's a future, we want it now

If there's a future, we want it now
