Oh star fall down on me  
Let me make a wish upon you  
Hold on, let me think  
Think of what I'm wishing for

Wait, don't go away.  
Just not yet.  
Cause I thought,  
I had it.  
But I forget.

And I won't let you fall away,  
From me.  
You will never fade.  
And I won't let you fall away.  
From me.  
You will never fade away from me.

And now I let my dreams consume me,  
And tell me what to think.  
But hold on,

Hold on.  
What am I dreaming?

Wait, don't go away.  
Just not yet.  
Cause I thought,  
That I had it.  
But I forget.

And I won't let you fall away,  
From me.  
You will never fade away.  
I won't let you fall away.  
You will never fade away.

And I won't let you fall away.  
You will never fade away.  
And I won't let you fall away from me,  
You will never...

Oh star fall down on me
