Tell me where our time went
And if it was time well spent
Just don't let me fall asleep
Feeling empty again

'Cause I fear I might break
And I fear I can't take it
Tonight I'll lay awake
feeling empty

I can feel the pressure
It's getting closer now
We're better off without you
I can feel the pressure
It's getting closer now
We're better off without you

Now that I'm losing hope
And there's nothing else to show
For all of the days that we spent
Carried away from home

Somethings I'll never know
And I had to let them go
I'm sitting all alone
feeling empty

I can feel the pressure
It's getting closer now
We're better off without you
I can feel the pressure
It's getting closer now
We're better off without you

Somethings I'll never know,
and I had to let them go
Somethings I'll never know,
and I had to let them go
I'm sitting all alone feeling empty

I can feel the pressure
It's getting closer now

We're better off without you
Feel the pressure
It's getting closer now
Your better off with out me
