Tell me where our time went  
And if it was time well spent  
Just don't let me fall asleep  
Feeling empty again

'Cause I fear I might break  
And I fear I can't take it  
Tonight I'll lay awake, feeling empty

I can feel the pressure  
It's getting closer now  
We're better off without you  
I can feel the pressure  
It's getting closer now  
We're better off without you

Now that I'm losing hope  
And there's nothing else to show  
For all of the days that we spent  
Carried away from home

Somethings I'll never know  
And I had to let them go  
I'm sitting all alone, feeling empty

I can feel the pressure  
It's getting closer now  
We're better off without you  
I can feel the pressure  
It's getting closer now  
We're better off without you

Somethings I'll never know, and I had to let them go  
Somethings I'll never know, and I had to let them go  
I'm sitting all alone feeling empty

I can feel the pressure  
It's getting closer now  
We're better off without you  
Feel the pressure  
It's getting closer now  
You're better off with out me
