The grass wasn't green enough here  
After watching you with my tears  
I'm not sure where you went  
We are, just past tense  
The snakes, they are slithering in  
Chasing me to my end  
Can't say where that is  
I'm running again

Oh, when I get there  
it won't be far enough  
I'm a renegade  
It's in my blood  
If ever I get there  
It won't be fast enough  
I'm a renegade  
I always was

Well, your spark never lit up the fire  
Though we tried and tried and tried  
The wind came through your lungs  
A hurricane from your tongue  
I'll keep your secrets with me  
Right behind my teeth  
The anger, the anchor  
I'll sail more further on  
Ah, on

Oh, when I get there  
it won't be far enough  
I'm a renegade  
It's in my blood  
If ever I get there  
It won't be fast enough  
I'm a renegade  
I always was

I'll keep running  
I'll keep running again  
keep running  
I'll keep running  
running, running

Keep running, running  
running

Oh, when I get there  
it won't be far enough  
I'm a renegade  
It's in my blood  
If ever I get there  
It won't be fast enough  
I'm a renegade  
I always was

I'm a renegade  
I always was
