You say the sweetest things  
And I can't keep my heart from singing  
Along to the sound of your song  
My stupid feet keep moving

In this 4/4 beat  
I'm in time with you  
In this 4/4 beat  
I would die for you  
(Die for you)  
Someone stop this

I've gone too far to come back from here  
But you don't have a clue  
You don't know what you do to me

Won't someone stop this song?  
So I won't sing along  
Someone stop this song  
So I won't sing

I never let love in  
So I can keep my heart from hurting  
The longer that I live with this idea  
The more I sink in

In this 4/4 beat  
I'm in time with you  
In this 4/4 beat  
I would die for you  
(Let's stop this song)

I've gone too far to come back from here  
But you don't have a clue  
You don't know what you do to me  
I've gone too far to get over you  
And you don't have a clue  
You don't know what you do to me

Won't someone stop this song?  
So I won't sing along  
Someone stop this song

So I won't sing

Your lovesick melody  
Is gonna get the best of me tonight  
But you won't get to me  
If I don't sing

It creeps in like a spider that can't be killed  
Although I try and try to  
Well, don't you see I'm falling?  
Don't wanna love you, but I do

(Lovesick melody)  
Won't someone stop this song?  
So I won't sing along  
(Lovesick melody)  
Someone stop this song  
So I won't sing

Your lovesick melody  
Is gonna get the best of me tonight  
But you won't get to me  
No, you won't get to me  
'Cause I won't sing
