And when it rains  
On this side of town it touches everything  
Just say it again and mean it  
We don't miss a thing

You made yourself a bed  
At the bottom of the blackest hole  
And convinced yourself that it's not the reason  
You don't see the sun anymore

And oh, oh, how could you do it?  
Oh I, I never saw it coming  
Oh, oh, I need the ending  
So why can't you stay just long enough to explain?

And when it rains  
Will you always find an escape?  
Just running away  
From all of the ones who love you  
From everything

You made yourself a bed  
At the bottom of the blackest hole  
And you'll sleep 'til May and you'll say  
That you don't want to see the sun anymore  
And oh, oh, how could you do it?  
Oh I, I never saw it coming  
Oh, oh, I need the ending  
So why can't you stay just long enough to explain?

Take your time  
Take my time

Take these chances to turn it around  
(Take your time)  
Just take these chances, we'll make it somehow  
And take these chances to turn it around  
(Take my)  
Just turn it around

And oh, how could you do it?  
Oh I, I never saw it coming

Oh, oh, how could you do it?  
Oh I, I never saw it coming

Oh, oh, how could you do it?  
Oh I, I never saw it coming  
Oh, oh I need an ending  
So why can't you stay just long enough to explain?

You can take your time  
Take my time
