"Whoa"

Visit "[Whoa](#)" on MotoLyrics.com

I've hoped for change, it gets better everyday
I've hoped for change but still I feel the same

There's something wrong, 'cause everybody knows
that we can do this on our own
And we got everybody singing

Whoa
Whoa
Whoa
Whoa

And we got everybody singing

Whoa
Whoa
Whoa
Whoa

We're doing fine, and it gets better everytime
We're doing fine, but I'll let you decide
There's something wrong, 'cause everybody knows
that we can do this on our own
And we got everybody singing

Whoa
Whoa
Whoa
Whoa

And we got everybody singing

Whoa
Whoa
Whoa
Whoa

And I'll confess, that I can be a little selfish
Yeah I'll admit, I don't want you to help me through this
I don't want to start over again
But we got everybody singing
And we got everybody singing

Whoa
Whoa
Whoa
Whoa

And we got everybody singing

Whoa
Whoa
Whoa
Whoa

And I'll confess, that I can be a little selfish
I can, I can
Yeah I'll admit, I don't want you to get me through this
I don't want to start over again
