Hello, I believe you.
Let me hear you still need me tonight.
I'll stay the world with you.
I have a story, too.
It's been a long time since We been a long all the night.
I'll stay with you all day.
I'll be forever by you.
Be forever with you.

I believe in you all of my life.
How can't we be just as one.
I don't want you to stay alone now.
Wait for me. I will be fine.
When you want me I'll come to you.
I don't want you to be alone tonight.
I believe in our love to stay alive.

I can survive here unless I can stay with you.
I'll be with you all day, and say that I love you.
Say that I love you.

I believe in you all of my life.
How can't we be just as one.
I don't want you to stay alone now.
Wait for me. I will be fine.
When you want me I'll come to you.
I don't want you to be alone tonight.
I believe in our love to stay alive.

I've lost in Love Affairs, now I know I find the one.
Feelings of loneliness for us are over now.

I believe in you all of my life.
How can't we be just as one.
I don't want you to stay alone now.
Wait for me I will be fine.
When you want me I'll come to you.
I don't want you to be alone tonight.
I believe in our love to stay alive.

I believe in you all of my life.
How can't we be just as one.

I don't want you to stay alone now.
Wait for me. I will be fine.
When you want me I'll come to you.
I don't want you to be alone tonight.
I believe in our love to stay alive.

I believe in our love to stay alive.
