Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.

Baby, you're my medicine, I gotta have you each and  
everyday.  
Darling, won't you listen ? No one else would ever make  
my day.  
Baby, when you sing and I hear you calling me.  
Crazy things go on in my mind.  
I know what I feel and it's slowly taking over.  
Never can tell what you would find, aiie aiie aiie.

Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.  
Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.

Tell me, is it making sense ? Do you think I'm gonna  
lose my head ?  
Maybe it is love in a sense, coming from my heart, I'm  
not to bear  
Baby, when you sing and I hear you calling me.  
Crazy things go on in my mind.  
I know what I feel and it's slowly taking over.  
Never can tell what you would find, aiie aiie aiie.

Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.  
Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.

Love keeps singing in my mind, love keeps singing in  
my mind.  
Aaaaaaaaaaah Ouuuuuuuuuh No No No No.

Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.  
Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.  
Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.

Oh, you don't know it, come on, let me show it.  
Love keeps singing in my mind.  
Love keeps singing in my mind, love keeps singing in  
my mind.
