Shooting stars in midnight pastures  
And hanging out on clouds beneath the moon  
Hitching rides on magic carpets  
It's a fairy tale to me but you're in tune

You're shattered by the final frame  
Of the movie scene that generates your every aim  
You ain't no bird and so for what its worth  
Gonna bring you straight back down, down

Straight back down  
(Come down)  
Come back down  
(Come down)  
Straight back down  
Y'all straight back down to earth  
(Straight back down)

In times when you're in need of assistance  
You're looking for a lead and in the distance  
You hear them calling come back down again  
But you don't know how, you don't know where  
And don't know when

You're shattered by the final frame  
Of the movie scene that generates your every aim  
You ain't no bird and so for what its worth  
Gonna bring you straight back down to earth

Straight back down  
(Come down)  
Come back down down  
(Come down)  
Straight back down  
Y'all straight back down to earth  
(Straight back down)

Don't wanna wanna be misled  
(Come down)  
Don't wanna fall on a razor's edge and  
You feel at ease you're begging please  
Don't take me down for nothing

(Straight back down)

Don't wanna wanna be misled

(Come down)

Don't wanna fall on a razor's edge and

You feel at ease you're begging please

Don't take me down for nothing

(Straight back down)

You're shattered by the vital pain

That is needed now to tell you not to go insane

You're tempted by, I say the cooling breeze

That will bring you down

Oh, come back please

Straight back down

(Come down)

Come back down

(Come down)

Straight back down

Y'all straight back down to earth

(Straight back down)

Don't wanna wanna be misled

(Come down)

Don't wanna fall on a razor's edge and

(Come down)

You feel at ease you're begging please

Don't take me down for nothing

(Straight back down)

Don't wanna wanna be misled

(Come down)

Don't wanna fall on a razor's edge and

(Come down)

You feel at ease you're begging please

Don't take me down for nothing

(Straight back down)

Don't wanna wanna be misled

(Come down)

Don't wanna fall on a razor's edge and

(Come down)

Don't take me down for nothing

Don't wanna wanna be misled

(Come down)

Don't wanna fall on a razor's edge and

(Come down)

Don't take me down for nothing

Don't wanna wanna be misled  
(Come down)  
Don't wanna fall on a razor's edge and  
(Come down)  
Don't take me down for nothing
