Sensitive child  
Keep running wild  
In a confined space  
But you're not to blame  
'Cause you're not the same  
Get on the case

Crazy sheep, you are the odd one out  
Crazy sheep, let them know what you're all about

Misfit  
Freak that's on the street  
Well I can see the sorrow in your eyes  
How long? How low? How high can you go?  
There'll be a bind for every kind  
You'll see

Sensitive child  
Your threat is so mild  
It worries me  
Build yourself some protection  
To avoid the injection  
Then you can be happy

Crazy sheep you are the odd on out  
Crazy sheep let them know what you're all about

Misfit  
Freak that's on the street  
Now I can see the sorrow in your eyes  
How long? How low? How high can you go?  
There'll be a bind for every kind  
You'll see

Set your mode to emotion  
Your secret potion  
Designed to satisfy your soul  
And underneath  
Your broken dreams  
You need to satisfy your soul

Misfit

Freak that's on the street  
Now I can see the sorrow in your eyes  
How long? How low? How high can you go?  
There'll be a bind for every kind  
You'll see

Too fat, too thin, you lose or you win  
This may come as some surprise  
Too tall, too short, too loose or too taut  
There'll be a bind for every kind

Misfit  
Freak that's on the street  
Now I can see the sorrow in your eyes  
How long? How low? How high can you go?

Too fat, too thin, you lose or you win  
This may come as some surprise  
Too tall, too short, too loose or too taut  
There'll be a bind for every kind...
