And I Now Present To You
The Practically Perfect Paris Bennett
Princess P, C'mon Baby
I've Waited For So Long
And Now It's Time To Take My Throne (All Hail The
Princess, All Hail The Princess)
People Said I Couldn't Do It,
Now I'm Here To Prove Them Wrong
(All Hail The Princess, All Hail The Princess)
All The Times That I Cried
But I Stayed On The Grind
(All Hail The Princess, All Hail The Princess)
Finally I'm Here And It's My Turn To Shine
(All Hail The Princess, All Hail The Princess)
I'm Royalty And My Name Is Princess P
It's My Turn To (
All Hail The Princess, All Hail The Princess)
Reign
I'm Royalty And My Name Is Princess P
I'm Gon' Make It
(All Hail The Princess, All Hail The Princess) Reign,
Reign, Reign, Reign
