You made my soul a burning fire,
you're getting to be my one desire,
you're getting to be all that matters to me
and let me tell you girl I hope and pray each day I live,
a little more love i'll have to give,
a little more love that's devoted and true...
cuz all I do is think about you,
(all I do) oh baby (is think about you)
think about you baby (all I do)
mmmmm (is think about you)

Maybe just suppose I could happen to cross your mind,
and by some chance a girl like me you really been
trying to find...
well let me tell you girl, think how it exciting it would be,
if you should discover you feel like me,
f you should discover this dream is for two...
well I am gonna tell you girl Id light a candle every day
and pray that you always feel this way
and pray that our love will for ever be new...
cuz all I do is think about you, (all I do) oh baby
(is think about you) I think about you
(all I do) yeah baby (is think about you)

Im gonna tell you girl
Id light a candle every day
and pray that you always feel this way,
and pray that our love will for ever be newâ€¦
I tell you girl if I cannot have you for my own,
Id rather be lonely and all alone,
Id rather be thinking the way that I do,..
cuz all I do is think about you,
(all I do) oh baby (is think about you)
think about you baby (all I do) ooooo ohh baby
(is think about you) I think about you baby
