I wanna be with you, Gotta be with you, Need to be with you

I wanna be with you, Gotta be with you, Need to be with you

[1st Verse:]

Chemistry was crazy from the get go

Neither one of us knew why

We didn't build nothin' over night

Cause a love like this takes some time

People swore it off as a phase said "We can't see that"

Now top from bottom they see that we did that(Yes)

It's so true that (Yes)

We've been through it(Yes)

We got real sh.. (Yes)

See, baby we've been

[Chorus:]

Too strong, for too long

And I can't be without you baby

And I'll be waitin' up untill you get home

Cause I can't sleep without you baby

Anybody who's ever loved you knows just what I feel

Too hard to fake it, Nothin' can replace it

Call the radio, If you just can't be without your baby

[2nd Verse:]

I got a question for ya

See, I already know the answer

But still I wanna ask you

Would you lie? (No)

Make me cry? (No)

Do somethin' behind my back and then try to cover it up?

Well, neither would I baby, my love is on the up and up(Yes)

I'll be faithful (Yes)

I'm for real (Yes)

And with us you'll always know the deal

We've been

[Chorus:]

Too strong, for too long
And I can't be without you baby
And I'll Be waitin' up untill you get home
Cause I can't sleep without you baby
Anybody whose ever loved you knows just what I feel
Too hard to fake it, Nothin' can replace it
Call the radio, If you just can't be without your baby

[Bridge:]

See, this is real talk
I'm gon' always stay (No matter what)
Good or bad (Thick and thin)
Right or wrong (All day everyday)
Now, if you're down on love
Or don't believe this aint for you (No this aint for you)
And if you got it deep in your heart
Deep down You know that it's true
(Come on, come on, come on)

Well, let me see you
Put your hands up (Hands up)
Fellas tell your ladies she's the one
(Fellas tell your ladies she's the one)
Oh put your hands up (Hands up)
Ladies, let him know he's got your love
Look him right in his eyes and tell him we've been

[Chorus:]

Too strong, for too long
And I can't be without you baby
And I'll Be waitin' up untill you get home
Cause I can't sleep Without you baby
Anybody whose ever loved you knows just what I feel
Too hard to fake it, Nothin' can replace it
Call the radio, If you just can't be without your baby

Heyyyyyyyyyyy...ohhhhhhh(2x)

Vamp:

I wanna be with you
Gotta be with you
Need to be with you
