J. Issac:

I search the world looking for a song to match our love,  
Search radio stations, search the internet, search the  
clubs,  
Though some come close none seem to do what our  
love does,  
So I decide, were gonna write our own, baby can you  
sing along.

Paris Bennett:

Your love will be the keys, my heart will be the drums,  
Lyrics of communication, melody softly sung,  
The guitar are our emotions baby, careful how you  
strum,  
I won't forget to share the spotlight, baby let's sing our  
duet.

Chorus:

(Lets do a duet),  
it's gotta be hard, cause sometimes it gets hard, when  
we fuss and fight,  
(Lets do a duet),  
Imma sing my part, you gon? sing your part, let's share  
the spotlight,  
(Let's do a duet)  
This is our song, we get close when it comes on, think  
its times we sing along, come on,  
(Let's do a duet).

Paris Bennett:

Our tears will be the stream, we'll pair in harmony

J. Issac:

(Oh), to my piano what will we find when we don't  
agree,

Both:

When we feel we can't go on, we'll let the back round  
sing,

Paris Bennett:

But we won't,(J: but we won't) and we won't let go (J:

won't)  
(No 8x's )

J. Issac:  
I'll play my bass guitar, but I won't play no games,

Paris Bennett:  
I love you more than fortune, fortune and fame.

Both:  
Our soul but we stop cause of weather, we gon? still  
perform come whatever,  
And if we ain't got no music, we gon do our duet  
acapella.

Chorus:  
(Lets do a duet),  
it's gotta be hard, cause sometimes it gets hard, when  
we fuss and fight,  
(Lets do a duet),  
Imma sing my part, you gon? sing your part, let's share  
the spotlight,  
(Let's do a duet)
