Hold up

Baby girl got a problem
This scrub's in the club poppin' bottles
Always hugged up with a model
That's cool if-he-ain't-my-dude
On the block, mad love for the homies (homies)
Come around, then, you don't know me (know me)
Everyday, everynight, I'm lonely
Say you're so real, but you're phony
I'm good now, you wanna kiss me
Say you miss me
Please, boy, miss me.
I wrote this for ya, hope you're listenin'
(Water's all that?) you can't get me.

Bridge:

Never in my life have I been so hot
You said that you would never hurt me
Never in my life have I been so hot
I need somethin' to cool down

Chorus:

Pick up the phone and call 9-1-1
Tell them boys to get me some water ('cause I'm on
fire)
So, let's get it started ('cause I'm so hot)
I'm beggin' ya pardon

Pick up the phone and call 9-1-1
Tell them boys to get me some water ('cause I'm on
fire)
So, let's get it started ('cause I'm so hot)
I'm beggin' ya pardon, 'cause you're so not.

I'ma give it to you straight, no chaser
No amount of paper could make me date ya
Take you back, it's a wrap
You can't fake, you're hatin' that

You ain't OJ, you're guilty (you're guilty)
You ain't cereal, ya can't milk me (milk me)
When you left, you almost killed me
But, I'm a soldier
It's how God built me

I'm not bitter, I'm just so done (so done)
Like Lauryn, you just lost one (lost one)
No beef, all peace, no guns
I just need water, can-I, can-I get some?

Bridge:

Never in my life have I been so hot (nooo)
You said that you would never hurt me (no, no, nooo)
Never in my life have I been so hot
I need somethin' to cool down

Chorus x 2

Whooo, what up, (Jive Time tracks?)?
This one's hot...blazin'.
Big ups to 3-0-6, we on fire. Yeah.
I see you, J. Isaac
This Princess P, signin' out
You've all been officially princessed
