He went away and you hung around
And messed with me every night
When I wouldn't go out with you, guess what?
You said some things that I didn't like

My boyfriend's back and you're gonna get in trouble
(Hey la, hey la, my boyfriend's back)
You see him comin' you better head out on the double
(Hey la, hey la, my boyfriend's back)

You've been spreadin' lies, you know were untrue
(Hey la, hey la, my boyfriend's back)
So look out now 'cause he's comin' after you
(Hey la, hey la, my boyfriend's back)

Hey, he knows what you've been tryin'
And he knows, he knows that you've been lyin'

He's been gone for such a long time
(Hey la, hey la, my boyfriend's back)
But now he's back and things will be fine
(Hey la, hey la, my boyfriend's back)

And you're gonna be sorry that you were ever born
(Hey la, hey la, my boyfriend's back)
'Cause he's kinda gangsta and he's awfully strong
(Hey la, hey la, my boyfriend's back)

Hey, I know that you'll be tripin'
But now you, you better get to stepin'
'Cause you really, really have been testin'
And he knows that he's the only one I'm repin'

What made you think he'd believe all your lies?
(Waho, waho)
You're a big man's now but he's gonna bring you down
to size
(Waho)
Wait and see

Well, coming back, my boyfriend's back, he's gonna
save my reputation

(Hey la, hey la, my boyfriend's back)
And if I were you, I'd take a permanent vacation, I'm
the best right
(Hey la, hey la, my boyfriend's back)

Said my boyfriends back, yeah
Said he's coming for you
Because he knows I'm true
Come on, oh, right now

You officially been princessed
I know it's a lotta ladies that know what I'm talkin' about
So just laugh and turn your cheek 'coz your man's back
And to that other boy, he's zone in 'coz he's gotta
sufferin'
