Oh, oh, oh, oh

It must have been cold there in the shadow

To never have sunlight on your face

You were content to let me shine, that's your way

You always walked a step behind

So, I was the one with all the glory

While you were the one with all the strength

A beautiful face without a name for so long

A beautiful smile to hide the pain

Did you ever know that you're my hero

And everything I would like to be

I can fly higher than an eagle

you are the wind beneath my wings

It might have appeared to go unnoticed

But I've got it all here in my heart

I want you to know, I know the truth, of course I know it

I would be nothing without you

Did you ever know that you're my hero

You're everything I wish I could be

If could fly higher than an eagle

you are the wind beneath my wings

Did I ever tell you you're my hero
You're everything, everything I wish I could be
Oh, and I, I could fly higher than an eagle
you are the wind beneath my wings
Cause you are the wind beneath my wings
Oh, the wind beneath my wings
You, you, you, you are the wind beneath my wings
Fly, fly, fly away, you let me fly so high
Oh, you, you, you, the wind beneath my wings
Oh, you, you, you, the wind beneath my wings
Fly, fly, so high against the sky
So high, I almost touch the sky
Thank you, thank you, thank God for you
The wind beneath my wings
