Amber:

Z me gimme a hit now hurry  
I'm late I'm late so hurry.  
Don't keep my surgeons waiting

GR:

Bitch pay me.

Amber:

Later

GR:

Ok I'll see ya later

Amber:

Where you goin'?  
Stay here  
There's ways for me to pay dear  
Other than dough.

Amber:

I want a hit of Z  
And were not talking for free  
A game of give and take  
Baby I'll give til I break  
But I ain't nobodies fool  
This bitch knows the rules  
I'll let you fuck my soul  
For a hit of that glow  
So come on climb on man up

Come up and try my new parts!  
Come on and break 'em in!  
We both know what we want  
Come up and try my new parts!

Anyway you want

You know wanna take me  
What's the matter Graverobber  
Take me!  
I can take it baby

I don't care where you put it  
Why don't you surprise me?  
Come on work me  
You know you like it naughty  
Oh naughty boy take me!  
And I ain't askin'..

Come up and try my new parts!  
Bow down and break 'em in!  
Before I change my heart  
Shut up and try my new parts!
