### "Happiness Is Not A Warm Scalpel"

(with Paul Sorvino)

*[Amber:]*

I've never been so surgically maimed!

*[Rotti:]*

Amber, please, it's not that bad.

*[Amber:]*

I'll be the laughingstock of the stage!

*[Rotti:]*

Daughter, please, it's not so bad.

*[Amber:]*

This is your fault!  
I asked you to help me!

*[Rotti:]*

Now, amber, please.  
I warned you about this.  
Happiness is not a warm scalpel.

*[Amber:]*

I don't care! it's not fair!

*[Rotti:]*

Baby, baby, baby, don't do this.

*[Amber:]*

I will never sing again!

*[Rotti:]*

I gave you the life I wished I'd had.

*[Amber:]*

I look like a crime scene, dad.

*[Rotti:]*

All you ever do is take, take, take. all I ever do is give.  
I said nothing when you came to me

Asking, "can I be asian?"

*[Amber:]*

That surgery was only \$90 grand!

*[Rotti:]*

I did not complain  
When you changed your name  
From largo to sweet.

*[Amber:]*

I need a stage name!

*[Rotti:]*

You are a disgrace!  
Your genes are not worthy of mine!
