### "Jailhouse Baby"

CNN and MTV, All cameras's focused on me,  
Helicopters up above, Oh what a travesty,  
There's a crazy world at war, Right outside of my front  
door,  
They're wasting time on me; I'm just a jailhouse baby.

Oh, I've been seeing so sleepy, Oh, Jailhouse baby,  
Oh, No window of the world, I'm a little, I'm a little jail  
bird,  
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,  
Oh, No window of the world, I'm a little, I'm a little jail  
bird.

Cold nights and freezing water, Fluorescents always  
on,  
Stuck here behind this glass, My parents see their  
daughter,  
Judge you're no celebrity; You're a desperate wannabe,  
Service you'd rather leave, Real criminals on the  
streets.

Oh, I've been seeing so sleepy, Oh, Jailhouse baby,  
Oh, No window of the world, I'm a little, I'm a little jail  
bird,  
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,  
Oh, No window of the world, I'm a little, I'm a little jail  
bird.

Hand cuffs and Coco cream, Notes slipped right under  
my door,  
Look at me caught in this cage, Just like an animal,  
Like a public enemy, make a mockery out of me,  
How dangerous can I be?, I'm just a jailhouse baby.

Oh, I've been seeing so sleepy, Oh, Jailhouse baby,  
Oh, No window of the world, I'm a little, I'm a little jail  
bird,  
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,  
Oh, No window of the world, I'm a little, I'm a little jail  
bird.

All those lonely nights of terror, I thank you for your  
letters,  
Words from around the world, for the lonely little jail  
bird.  
Still haunted by nightmares, Why's the system so  
unfair,  
But I'm stronger than before, No I'm no longer scared.

Oh, I've been seeing so sleepy, Oh, Jailhouse baby,  
Oh, No window of the world, I'm a little, I'm a little jail  
bird,  
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,  
Oh, No window of the world, I'm a little, I'm a little jail  
bird.
