Turn it up
Turn it up
Louder
Louder
Turn it up
Turn it up

Flo Rida:
It's you and me together girl
Yeah
Tonight we gonna save the world
Feel the base, turn it up, let the music play
Every where, oh oh
And we don't care where you party
People move your bodies
And we keep it rocking
Pull it, pull it
DJ play it louder, louder

Paris Hilton:
Anytime you hear that sound,
you better move your feet, yeah
Yeah, let the rhythm drive you wild
And never lose the beat
Now all my fellows, turn it up
Louder, louder
All my ladies gotta turn it up, turn it up
Louder, louder

It's you an me together boy
Tonight we're gonna save the world
Feel the base, turn it up, let the music á¹—lay
Every where, oh oh
And we don't care where you party
People move your bodies
And we keep it rocking
Pull it, pull it
DJ play it louder, louder
And we don't care where you party
People move your bodies
And we keep it rocking

á¹–ull it, pull it
DJ play it louder, louder

Flo Rida:
Every night we play in the town
Till 8 am in the morning
That's my life or hate it
But either way I ain't sorry

Paris Hilton:
Now all my fellows, turn it up
Louder, louder
All my ladies gotta turn it up, turn it up
Louder, louder

Flo Rida:
It's you an me together girl
Tonight we're gonna save the world
Feel the base, turn it up, let the music play
Every where, oh oh
And we don't care where you party
People move your bodies
And we keep it rocking
Pull it, pull it
DJ play it louder, louder
And we don't care where you party
People move your bodies
And we keep it rocking
Pull it, pull it
DJ play it louder, louder

Paris Hilton:
Up, up, up in the clouds
We're all the same
Ain't no difference between us
Let's have a good time
And make it a late night
Club surfin' on the south with
Gonna party like this every day
CAuse every day feel like holiday
Turn up the power, we gonna make this music louder

It's you an me together boy
Tonight we're gonna save the world
Feel the base, turn it up, let the music play
Every where, oh oh
And we don't care where you party
People move your bodies
And we keep it rocking
Pull it, pull it
DJ play it louder, louder

And we don't care where you party
People move your bodies
And we keep it rocking
Pull it, pull it
DJ play it louder, louder
DJ á¹—lay it louder, louder, louder
