Da-da, Da-da, Da-da, Da-Da,  
Da-da, Da-da, Da-da, Da-Da,

So I was thinking to myself when you passed me by  
"Here's what I like?  
And you were with somebody else but you can't deny  
That's me in your eye

Do you know  
What it's like  
When it's wrong  
But it feels so right?

[Chorus]  
Nothing in this world can stop us tonight  
I can do what she can do so much better  
Nothing in this world can turn out the light  
I'm gonna make you feel alright tonight.  
Da-da, Da-da, Da-da, Da, Tonight  
Da-da, Da-da, Da-da, Da-Da, Da

Baby, you and I, we got what will never be  
You know I'm right  
So tell me what you're waiting for when you're here with  
me?  
Most guys would die

You should know  
(You should know)  
What it's like  
(What it's like)  
When it hurts  
(When it hurts)  
'Cause it feels so right

Nothing in this world can stop us tonight  
I can do what she can do so much better  
Nothing in this world can turn out the light  
I'm gonna make you feel alright tonight.  
Da-da, Da-da, Da-da, Da-Da, Tonight  
Da-da, Da-da, Da-da, Da-Da,

I gotta tell you somethin'  
It's somethin' that you just might like  
No, it's not the same thing  
Yeah, you'll learn I'm not too shy  
You and I, we can do this thing tonight

Nothing in this world can stop us tonight  
I can do what she can do so much better  
Nothing in this world can turn out the light  
I'm gonna make you feel alright tonight.

Nothing in this world can stop us tonight  
I can do what she can do so much better  
Nothing in this world can turn out the light  
I'm gonna make you feel alright tonight.

Da-da, Da-da, Da-da, Da-Da,  
Da-da, Da-da, Da-da, Da-Da, tonight  
Da-da, Da-da, Da-da, Da-Da,  
Da-da, Da-da, Da-da, Da-Da,  
Da-da, Da-da, Da-da, Da-Da,  
Da-da, Da-da, Da-da, Da-Da,  
Da-da, Da-da, Da-da, Da-Da,  
Da-da, Da-da, Da-da, Da-Da,  
Da-da, Da-da, Da-da, Da-Da, tonight  
Da-da, Da-da, Da-da, Da-Da, tonight!
