### [Verse 1]

It's been said and done  
Every beautiful thought's been already sung  
And I guess right now here's another one  
So your melody will play on and on, with best we own  
You are beautiful, like a dream come alive, incredible  
A center full of miracle, lyrical  
You've saved my life again  
And I want you to know baby

### [Chorus]

I, I love you like a love song, baby  
I, I love you like a love song, baby  
I, I love you like a love song, baby

And I keep it in re-pe-pe-peat

I, I love you like a love song, baby  
I, I love you like a love song, baby  
I, I love you like a love song, baby

### [Verse 2]

Cursing me, boy you played through my mind like a  
symphony  
There's no way to describe what you do to me  
You just do to me, what you do  
And it feels like I've been rescued  
I've been set free  
I am hyptonized by your destiny  
You are magical, lyrical, beautiful  
You are... I want you to know baby

### [Chorus]

I, I love you like a love song, baby  
I, I love you like a love song, baby  
I, I love you like a love song, baby

And I keep it in re-pe-pe-peat

I, I love you like a love song, baby  
I, I love you like a love song, baby

I, I love you like a love song, baby

And I keep it in re-pe-pe-peat

[Bridge]

No one can pause

You stand alone, to every record I own

Music to my hear that's what you are

A song that goes on and on

[Chorus]

I, I love you like a love song, baby

I, I love you like a love song, baby

I, I love you like a love song, baby

And I keep it in re-pe-pe-peat

I, I love you like a love song, baby

I, I love you like a love song, baby

I, I love you like a love song, baby

I love you... like a love song...
