I don't mind spending some time
Just hanging here with you
Cuz I don't find too many guys
That treat me like you do
Those other guys all wanna take me for a ride
But when I walk their talk is suicide
Some people never get beyond their stupid pride
But you can see the real me inside
And I'm satisfied, oh no, ohh

Even though the gods are crazy
Even though the stars are blind
If you show me real love baby
I'll show you mine

I can make you nice and naughty
Be the devil and angel too
Got a heart and soul and body
Let's see what this love can do
Baby I'm perfect for you

My love, ohh oh

I could be your confidante
Just one of your girlfriends
But I know that love's what you want
If tomorrow the world ends
Why shouldn't we be with the one we really love?
Now tell me who have you been dreaming of
I and I alone? oh no, ohh

Even though the gods are crazy
Even though the stars are blind
If you show me real love baby
I'll show you mine

I can make you nice and naughty
Be the devil and angel too
Got a heart and soul and body
Let's see what this love can do
Baby I'm perfect for you

Excuse me for feeling
This moment is critical
Might be me feeling
It could get physical, oh no, no no

Even though the gods are crazy
Even though the stars are blind
If you show me real love baby
I'll show you mine

I can make you nice and naughty
Be the devil and angel too
Got a heart and soul and body
Let's see what this love can do
Let's see what this love can do
Baby I'm perfect for you

Baby I'm perfect for you

Even though the gods are crazy

Even though the stars are blind

Even though the gods are crazy

Even though the stars are blind
