[Verse 1]

This is the place where I sit

This is the part where I love you too much

This is as hard as it gets

Cause I'm getting tired of pretending I'm tough

I'm here if you want me

I'm yours, you can hold me

I'm empty and achin'

And tumblin' and breakin'

[Chorus]

Cause you don't see me

And you don't need me

And you don't love me

The way I wish you would

The way I know you could

[Verse 2]

I dream a world where you understand

That I dream a million sleepless nights

Well I dream a fire when you're touching my hand

But it twists into smoke when I turn on the lights

I'm speechless and faded

It's too complicated

Is this how the book ends,

Nothing but good friends?

[Chorus]

Cause you don't see me

And you don't need me

And you don't love me

The way I wish you would

The way I wish you would

[Verse 3]

This is the place in my heart

This is the place where I'm falling apart

Isn't this just where we met

And is this the last chance that I'll ever get

I wish I was lonely

Instead of just only

Crystal and see-through

And not enough to you

[Chorus]

Cause you don't see me

And you don't need me

And you don't love me

The way I wish you would

Cause you don't see me

And you don't need me

And you don't love me

The way I wish you would

The way I know you could
