Oh woman
Don't love me cause it's danger
Desire owns my heart
Don't need me cause it's danger
A warning from the start
Hey, baby, let go
Passion is my crime
Don't love me cause it's danger
Emotions confined
Go on home
Danger zone
Woman learn to live without me
I'm a man alone
Or your hearts will fall into a danger zone
Go home danger zone
I still love you but love hurts
Go home danger zone
Life with me is a demon's curse
Don't want me cause it's danger
Your touch will make me wild
Don't need me cause it's danger
It keeps me in exile
Hey, baby, forget
That night was so divine
Don't love me cause it's danger
Remove it from your mind
Go on home
Danger zone
Woman learn to live without me
I'm a man alone
Or your heart will fall into a danger zone
Go home danger zone
I still love you but love hurts
Go home danger zone
Life with me is a demon's curse
Go home danger zone
I still need you but I'm first
Go home danger zone
This one man was born to roam
Oh, ã!ã¥ãã¹ã~ãã *
Woman learn to live without me
I'm a man alone

Or your heart will fall into a
Danger zone
Go home danger zone
I still love you but it hurts
Go home danger zone
Life with me is a demon's curse
Go home danger zone
I still need you but I'm first
Go home danger zone
This one man was born to roam
Go home danger zone
I still love you but love hurts
Go home danger zone
I still need you but I'm first
Go home danger zone
I still love you but I'm first
Go home danger zone
This one man was born to roam
