Airport arrival waiting for departure
Its that time again
When all is said and done
Youll be the only one
Im running out of ways to say I'll miss you
But this is what weve waited for, weve waited for
And time wont stand still
Like nothing will change the way I feel
About you, I feel about you
So this is my goodbye to you
Ill meet you half way there
Always believe in me have faith and don't be scared
So this is my goodbye to you
Just one last touch
Just one last look into your eyes and I can say
Ill never let this fade away
So carry on
Because Im sinking fast
The ship has failed but the worst has passed
Im running out of ways to say I'll miss you
But this is what weve waited for, weve waited for
Scream inside this well
Wishing you were here, wishing you were here
In a crowded room
In an open space
Im seconds away from leaving
But everything has a reason
In a crowded room
In an open space
Another good moment
Another good kiss goodbye
