Don't walk out mad
Things aren't that bad
You can't leave now
Your all that I have
What can I say
What can I do
How can I get through to you
She said
Don't try and understand me
Im never coming back again
Don't let this go
In time you'll know
Just when it's dark
Everything shows
Im asking you
How can this be
Can you tell me
Always
You said wed be always
And I was always there, always there for you
She said
Don't try and understand me
Im never coming back again
