Yeah Whoooooooooooooooooooooooooooooo  
Yeah, Yeah

(Chorus) 2x

I've been waiting, Spend my time chasing  
For your Love, But it's goin down tonight  
It's goin down tonight

Verse 1:

What did you think you would do?  
What did you think you would say?  
After I told you how I was feeling  
Never thought I'd see this day  
I always kept dreaming  
Never I felt you hurt my heart  
I knew that you would soon see better  
All I can do is hope and Say

(Hook)

Is there a chance or a possibility  
That I can get close to you  
I want to get Romantic with you  
Do all the things that lovers do  
Finally all the things that I've done to get  
The chance to be with you  
It was sure nuf' worth the wait  
Tonight I'll be wrapped up in your arms

(Chorus) 2x

Verse 2:

I always kept Wishing  
I always kept Praying  
Good things come to those who wait  
That's what Mama always said  
Baby dat Phrase stuck in my head  
There's nothing I won't do, To Please you  
Even the chance, Ill do you right  
Deep down inside I have to knowwwwww

(Hook)
