Agony Of Defeat

Oh oh, I'm -- man get off my foot, ha-ha!

Said I 'mo take my shoes off (ha ha), and kick up my heels

Just watch me ya'll, umm huh,

Said I 'mo take my shoes off, and kick up my heels

Now here I go, OK hah!

I got some ground work to do (Let's go strollin')

And I need a little support (On the dance floor)

Heel and toe ? ? ?? (Let's go strollin')

And just like the grinner I need just a little more foot, hah!

Tryin' to put a size twelve foot

In a size eight shoe (you know that won't do)

It's like putting on a five dollar hat

On a nickel head (It's about that hat rack)

Now promenade and do-si-do

Take your partner across the floor

Foot stompin time! Heel and toe - sidesteppin'!

HO!

I 'mo take my shoes off (Got to take my shoes)

And kick up my heels

Hey watch me ya'll hear I go

Hey

I 'mo take my shoes off

And kick up my heels

Not with your smelly feet!

See ya, BYE!

Party time

Step on it!

Come on!

Give up a dime! (LORD!)

Cool! (COME ON!)

Hey!

It's Party time!

Step on it!

Come on!

Give up a dime!

Party time!

Come on ya'll

He's got more socks than the ogre there in the corner

I believe it is, it's a toe jam
