Sha, la, la, la, sha, la, la, la  
Just because you accepted  
The moment that I asked you to be my girl

Sha, la, la, la, sha, la, la, la  
I didn't believe that you could fall in love at first sight  
I didn't think that you were a very nice girl

But I was wrong  
(That was wrong)  
Ooh, I was wrong  
(So, so wrong)  
I was wrong  
(That was wrong)  
I misjudged you  
(Ooh, I misjudged you, baby)

You didn't hesitate  
Because you didn't want to wait  
You didn't know if I would ever ask you again

Sha, la, la, la, sha, la, la, la  
You should have played hard right from the start  
'Cause I condemned you for being so extreme

But that was wrong  
(That was wrong)  
Ooh, that it was wrong  
(So, so wrong)  
Ooh, it was wrong  
(That was wrong)  
I misjudged you  
(Oh, baby, I misjudged you, baby, yeah)

So now I'm begging for the love I once denied  
Darling, I'm sorry  
Arrest these tears that are falling in my eyes

So if you give me one more chance  
I promise I will never doubt you again

Sha, la, la, la, sha, la, la, la

I want you to say each and every day  
Remind me, dear, don't care where or when

That I wronged you  
(That was wrong)  
Ooh, I wronged you  
(So, so wrong)  
Ooh, baby, don't you know that I wronged you?  
(That was wrong)  
I misjudged you  
(Hey baby, I misjudged you)

I misjudged you  
(Hey, baby)  
I misjudged you  
(Hey, baby)  
I misjudged you  
(Hey, baby)  
I misjudged you, girl
