Well, all right, starchild  
Citizens of the universe, recording angels  
We have returned to claim the pyramids  
Partying on the mothership  
I am the mothership connection

Gettin' down in 3-d, light year groovin'  
All right, hear any noise  
Like nobody but me and the boys  
Gettin' down, hit it fellas

If you hear any noise  
It's just me and the boys  
Hit me, you gotta hit the band  
All right, all right, starchild here

Put a glide in your stride and a dip in your hip  
And come on up to the Mothership  
Loose booty, doin' the bump  
Hustle on over here

If you hear any noise  
It's just me and the boys  
Hit me, you gotta hit the band  
Ain't nothing but a party, y'all

Face it even your memory banks  
Have forgotten this funk  
Mothership connection  
Home of the p.funk, the bomb

If you hear any noise  
It's just me and the boys  
Hit me, you gotta hit the band  
(Doin' it in 3-b)  
Let me put on my sunglasses here  
So I can see what I'm doing

When you hear seats rumble  
You will hear your conscience grumble  
Hit me, you gotta hit the band  
You have overcome for I am here

Swing down, sweet chariot  
Stop and let me ride  
Swing down, sweet chariot  
Stop and let me ride

Swing down, sweet chariot  
Stop and let me ride  
Swing down, sweet chariot  
Stop and let me ride

Swing down, sweet chariot  
Stop and let me ride  
Swing down, sweet chariot  
Stop and let me ride

Are you hip to Easter Island?  
The Bermuda Triangle?  
Well, all right  
Ain't nothing but a party

Starchild here, citizens of the universe  
I bring forth to you  
The good time on the mothership  
Are you hip? Sing, fellas

If you hear any noise  
It's just me and the boys  
Hit me, you gotta hit the band

If you hear any noise  
It's just me and the boys  
Hit me, you gotta hit the band

Starchild here, doin' it in 3-d  
So good, it's good to me  
Hit the band

If you hear any noise  
It's just me and the boys  
Hit me, you gotta hit the band  
(Swing low, sweet chariot)  
(Coming forth to carry you home)

If you hear any noise  
It's just me and the boys  
Hit me, hit the band

If you hear any noise  
It's just me and the boys  
Hit me, you gotta hit the band

And if you hear any noise  
It's just me and the boys  
Hit me, you gotta hit the band

Swing low, time to move on  
Light years in time, ahead of our time  
Free your mind and come fly  
With me, it's hip on the mothership groovin'

Swing down, sweet chariot  
Stop and let me ride  
Swing down, sweet chariot  
Stop and let me ride  
Swing down, sweet chariot  
Stop and let me ride
