Seconds up and wakes me once again  
Wants me up just like a good old friend  
And i wait for sleep away in such a lovely day thinkin  
maybe i should call you up and say  
That I'd love to be with you today nothing much to do  
here anyway will you take me  
For a ride out to the country side spend this lovely day  
together you and i  
Im tryin to say  
I miss you baby  
I can't wait to be with you  
Hey my love im ready to spend this lovely day with you  
We could go out walkin in the sun holding hands now  
wouldn't that be fun oh  
And shouldn't start to rain well head for home again  
And watch the world go by together you and i  
Im tryin to say  
I miss you baby  
I can't wait to be with you hey  
Hey my love im ready to spend this lovely day with you  
Spend this lovely day(2x)  
With you  
Im tryin to say  
I miss you baby  
I can't wait to be with you hey  
Hey my love im ready to spend this lovely day with you  
Oh no baby, i can't wait to be with you  
Hey my love im ready to spend this lovely day with you  
Oohhh baby i can't wait to be with you
