Love is killing me so sweet
like the torture that i need
for my way back home

Hurt me when I'm close to you
tell me lies and not the truth
carve your wrongs in my skin
yeah

Hurt my soul

Love destroy my chroming soul
see the gas ships sail back hope
to another world

Hurt me when I'm close to you
tell me lies and not the truth
carve your wrongs in my skin
yeah

Hurt me when I'm close to you
Hurt me
Hurt me when I'm close to you (hurt)
Hurt (my soul)
