Cherrie says  
Cherrie says  
She went insane  
She went insane  
She went too far  
She went too far  
And it's so heavy in her head  
Down to these valleys  
Down to these fields  
My mind so high  
Your eyes so blue  
Before it was a picture  
But now it's gone  
It feels like rubbing against the void  
Down to this valley  
Down to this bridge  
Ally with me  
Ally your senses  
A hundred years  
Or i'm just fourteen  
And i'll try to figure when you come  
Down to this shore down to these fields  
Your eyws so warm your life so chilled  
Suppose that i get inside you  
Get inside Get inside Get insideÂ...
