What joy is there in this body?
Seeing these discarded bones
Scattered here and there
Where they are pushed by the wind
When first they're tossed upon the ground
Then that same moment of your life
Humans first emptied into the womb
The journey of their life to death begins
Once gone there is no turning back

Imperium!
Imperium!
Imperium!

At daybreak many people are seen
That evening one is gone from sight
Next morning one another has gone from sight
Nights are long when one can't sleep
The road is long for those exhausted

Imperium!
Imperium!
Beckons
Imperium
Imperium

To everything there is a season
And a time to every purpose and to the heavens
Oh imperium!
Oh imperium!

A time to be born
A time to die
A time to sleep
A time of silence

Imperium!
Imperium

A time to create
A time to destroy
A time to plant

And a time to reap

Imperium!
Imperium!
Imperium!
Imperium!
Imperium!
Imperium!
Imperium!

A time for laughter
A time for anger
A time to build
A time to destroy
A time to love
A time to hate
A time to bleed
A time to part
Behind me the wind calls
Imperium

Imperium!
Imperium!
Imperium

Imperium!
Imperium
Imperium
Imperium
