(Hey ho) the noddy (oh)

My eyes are black and wide  
My eyes are black and wide  
Hey ho the noddy oh  
My eyes are black and wide

I crush the velvet mound  
I crush the velvet mound  
Hey ho the noddy oh  
I crush the velvet mound

Mummy's teeth are cracked  
Mummy's smile is cracked  
Hey ho the noddy oh  
Mummy's smile is red

A-reaping I shall go  
A-reaping I shall go  
Hey ho the noddy oh  
A-reaping I shall go

A stranger waits me there  
A man with half-blind stare  
A man with dusty hair  
Hey ho the noddy oh  
A stranger waits me there

This destiny did not tire  
This destiny did not tire  
Hey ho the noddy  
This destiny did not tire

He sang  
A-raping I shall go  
A-raping I shall go  
Hey ho the noddy oh  
A-raping I shall go

And bled and raped was I  
And scared and cold was I  
Hey ho the noddy oh

Hey ho the noddy oh  
Hey ho the noddy oh  
In fields of rape I lie

Well as you sow you reap  
And as I sowed I reaped  
Hey ho the noddy oh  
Hey ho the noddy oh  
Hey ho the noddy oh  
As I sowed I reaped
