"Ship Of Fools"

We're setting sail to a place on the map
From which no-one has ever returned
Drawn by the promise of the joker and the fool
By the light of the crosses that burned
Drawn by the promise of the wormal and lace
And the gold and the cotton and pearls
It's the place where they keep all the darkness you
need
You sail away from the light of the world on this trip,
baby

You will pay tomorrow
You're gonna pay tomorrow
You will pay tomorrow

Oh, save me, save me from tomorrow
I don't want to sail with this Ship of Fools, no, no
Oh, save me, save me from tomorrow
I don't want to sail with this Ship of Fools
I want to run and hide
Right now

Avarice and greed are gonna drive you over the
endless sea
They will leave you drifting in the shallows
Drowning in the oceans of history
Traveling the world, you're in search of no good
But I'm sure you'll build your Sodom like you knew you
would
Using all the good people for your galley slaves
As your little boat struggles through the warning waves
But you don't, pay

You will pay tomorrow
You're gonna pay tomorrow
You're gonna pay tomorrow

Oh, save me, save me from tomorrow
I don't want to sail with this Ship of Fools, no, no
Oh, save me, save me from tomorrow
I don't want to sail with this Ship of Fools, no, no

Where's it coming from
Oh, Where's it going now
It's just a, it's just a Ship of Fools
