"I Believe In Miracles"

I believe in miracles,
I believe in you.
I believe in miracles,
I believe in you.
They say the day is ending.
Let's watch the sun go down
And plan a holiday for two.
For all eternity
I'm gonna count till you can see
The world I created just for you.
Oh, I saw you standing on the street.
I wanted to meet you and stop for a while.
You gave me a smile when you said hello.
Now everything's so good inside.
Never realized that I didn't hide
The feeling that came when you felt the same.
I believe in miracles, I believe in miracles,
I believe in miracles, don't you?
