Tribute

This rhythm is a mama

Hey I want to tell you a story

It's about the groove

All Right now look hope here

Hope it makes you move

And get's the rhythm too

Yeah oh yeah

Well there's music from the past

Music for the young and old

Music revelation rock and roll and soul

Ref:

Right on right on

Right on (repeat)

There was Little Richard (Tutti Fruti)

And Elvis too (shook up, shook up, shook up)

Way back in the fifties (way back, way back, way back)

There were doing it for me and you

Well I know there is way

With music we can say

These songs are in our blood

So let them play cos it's happening today

Ref:

Right on right on

Right on (repeat)

And we see it all so clear

The music while we are here

And we need it everyday

No doubt about it we can show the way

Talking about Sam cooke

Jackie Wilson was their names

Ever since then things ain't been the same

(Ain't be the same)

Otis Redding God may rest his soul

Play back James Brown

How slides I don't knowBram

There's Motor City that gave us the motown tunes

They laid the foundation lord

And made Detroit some thing new

Yeahwe're talking about Marvin Gaye

(What's going on)

Little Stevie (For once in my life)

Smokey (Tears of a Clown)

Supremes (Baby love)

Ref:

Right on right on

Right on (repeat)

Ike and Tina Right on right on

Aretha Franklin Right on right on

Jimmy Hendrix Right on right on

Sound of Philly The Jackson %

All these sounds are still alive

Whoo

Blow horacle blow

Were right on rigt
