### "Lay Awake"

Lay awake

In a bed

All alone

Empty home

Just can't smile

In my state

Reconcile

With my self again, again

Lay awake

In a van

All alone

Far from home

Lay awake

In a bed

All alone

Empty home

Just can't smile

In my state

Reconcile

With myself again

Just can't smile

In my state

Reconcile

With myself again, again, again, yeahhh
