Last night I slept in a bed of tears  
But I woke up a better man  
There's a space in between who you want and who I am  
And some day, baby, we'll both understand

Now I could tell you that you'll be alright  
And I couldn't hold you, keep lying

One way is holding on  
One way is being strong  
There's two ways to say goodbye  
Your tears are made of pride  
My tears have all been cried  
There's two ways to say goodbye

Today I decided to take the long way home  
I figured that the drive would do me good  
I finally feel awake for the first time  
I better get home to do what's right, that's right

'Cause one way is holding on  
One way is being strong  
There's two ways to say goodbye  
Your tears are made of pride  
My tears have all been cried  
There's two ways to say goodbye

Now I won't tell you that you'll be alright  
So please don't ask me to spend the night  
'Cause I don't wanna hold you and keep lying

One way is holding on  
Oh, but I got to be strong  
Either way it's goodbye, it's just a matter of time  
Your tears are made of pride  
My tears have all been cried  
There's two ways to say goodbye

Wherever you go  
Want you to know  
There's two ways to say goodbye

Wherever you go  
Want you to know  
Two ways, goodbye
