[Screams]. Make this hurt!

Your words were spoken loud tonight,
Just to hear the faintest whisper in my ear.
And that's all I needed,
To get my heart and head on track,
To sort through all these things I needed to rid of,
To get where I belong.

Ohhh!

This mind will never be captive again,
[I swear this, that I'll take your stoney, useless heart of
sin.]
You'll take my stoney, useless heart of sin.
[I can't wait, I won't wait.]
Oh God you know what I've done.
I got no place to hide,
And nowhere to run.

Wandering lost and alone,
You're running the truth,
That you so clearly know,
But won't commit you're life to.

Standing three feet from the door,
Key in hand held tight,
Your feet glued to this floor,
So take a step of faith.
[Screams]. A step of faith!

Ohhh!

This mind will never be captive again,
[I swear this, that I'll take your stoney, useless heart of
sin.]
You'll take my stoney, useless heart of sin.
[I can't wait, I won't wait.]
Oh God you know what I've done.
I got no place to hide,
And nowhere to run.

[Screams]. Make this hurt!

I won't be there next time,
To watch you fall face first,
Onto the floor again.

[Screams]. Again!

Again! Again!

For you!

For you!

I'll pay it back for you tonight,
I won't be giving up the fight.
This life is so messed up,
This life is so messed up.
This is our song that we sing to you all.
This life is so messed up,
This life is so messed up.

Reflect on everything you did,
That leaves me back right where I'd stand.
I'd say that my son has finally broken his sinful ways.
I've been blessed and now I'm a new man,
Jesus this is where I belong.
