one - two - three - four

[Mike]

Well sometimes, I get tired of waking up on my own
And sometimes, I feel like I want to go home
But the cars they keep on driving
Down a road that doesn't seem to end

[All]

So we're following owls in the flight of the crow,
Living where its green,
But what good is it though
Life getting narrower the further you go,
Sunset's before they rise
It's there in the shadows where nobody goes,
It's there in the dark but what good is it though,
It's a vanishing point on a shimmering road
And there when I close my eyes

[Mike]

Well sometimes,
Yeah, it's hard to know the way to go
When the waters rise around you
And the fire rages down below

[All]

So we're following owls in the flight of the crow,
Living where its green,
But what good is it though
Life getting narrower the further you go
Sunset's before they rise,
It's there in the shadows where nobody goes,
It's there in the dark,
But what good is it though
It's a vanishing point on a shimmering road
And there when I close my eyes

[Mike]

Oh no oh oh oh
Oh oh oh oh oh

'Cause we're bullets and we fire from shot guns
Flying through birthday's and new years
Yeah, we're rolling stones,
But the moss keeps growing around
Hearts and our eyes and our ears

Yeah, we're bullets and we fire from shot guns
Flying through birthdays and new years
Yeah, we're rolling stones,
But the moss keeps growing around
Our hearts and our eyes and our ears

[All]

So we're following owls in the flight of the crow,
Living where its green,
But what good is it though
Life getting narrower the further you go,
Sunset's before they rise
It's there in the shadows where nobody goes,
It's there in the dark,
But what good is it though
It's a vanishing point on a shimmering road
It's there when I close my eyes,
It's there when I close my eyes,
Only there when I close my eyes
