[Lior]

There's wood chip on the walls
There's wood on the stove
You would if you could
But you cannot I know
But I'm still your's alone

We lie on our back's
We lie on your floor
But we lied so much
We don't talk anymore
And I'm still your's alone

[Mike]

You said you were tired
I said, I feel the same
I put on my shoes and I got on the train

[Both]

See sunlight fade
And the shadows and grow long
Want to see rivers go winding blindly
Back to the stone

And the rickety tracks
They're taking me back
To where I used to belong

[Mike]

There's a weight on our shoulder's
A weight to your tongue
You wait on table's,
I'll wait by the phone
And I'm still yours alone

[Lior]

You blew out the candle's
When we fell apart
I'm not trying, just scared of the dark

[Both]

I see sunlight fade
And the shadows grow long
To see rivers go winding blindly
Back to the stone

And the rickety tracks
They're taking me back
To where I used to belong

[Mike]
And oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

[Both]
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, no
Oh, oh, oh

I feel sunlight fade
And the shadows grow long
I see rivers go winding blindly
Back to the stone

And the rickety tracks
They're taking me back
To where I used to belong
