When the day's wrapped in a sheet  
and perfection has been reached  
she is nearly inside of me

Stealing the place I made complete  
she is sneaking into me  
to be what I can't see

I'm falling I'm falling  
I'm wasting my drawing  
I'm falling whenever she's calling me there

A thousand things I carry through  
The day so long I overdo  
to reach the life unreal

At the end of a perfect day  
I am losing out again  
to fill the empty space in me

I'm falling I'm falling  
My way 'til the morning  
I'm falling whenever she's taking her pleasure in it

Never will be making my life complete  
Forever she will be there waiting near  
Forever  
Forever

I'm falling I'm falling  
My way 'til the morning  
I'm falling whenever she's calling me there

Never will be making my life complete  
Forever she will be there waiting near  
Forever  
Forever  
Forever
