Here with this thought  
I wonder how  
it would feel to be free  
how it would feel to be alive

(But) it goes by If I don't mind  
and ain't giving it no time  
I keep wiping these shelves  
only seven times a day

And I feel I ain't fine  
I ain't feeling all right  
And I feel I ain't fine  
I ain't feeling all right

There's something that's hiding inside

If I got free  
could I still fly  
Though my wings have turned cold  
And should I fall  
I still should try

Will my life ever start  
I keep repressing my own heart  
But I know it's still there  
what I'm trying to escape

And I feel I ain't fine  
I ain't feeling all right  
And I feel I ain't fine  
I ain't feeling all right

There's something that's lying behind

And I feel I ain't fine  
I ain't feeling all right  
And I feel I ain't fine  
I ain't feeling all right

And I feel I ain't alive

I ain't feeling all right  
And I feel I ain't alive  
I ain't feeling all right

There's something I'm hiding inside
