"Liar"

Visit "[Liar](#)" on MotoLyrics.com

You say you feel so much better
when you're with me aha
You son of a bitch you're only using me
I set you free

Liar!
Go for your desire
So you leave me crying
for your empty fire and soul

You live for my pain but not for me

You said I was something special here
- so special that you left!
The fear in your lies reveals a chicken inside
you try to hide

Liar!
Go for your desire
So you leave me crying
for your empty fire and soul

You live for my pain but not for me
You live for my pain but not for me

Liar!
Go for your desire
So you leave me crying
for your empty fire and soul

You live for my pain but not for me
You live for my pain but not for me
You live for my pain but not for me
